FIRST ROW: Atlee Gehres, member; Dwight Smith, member; Ron Rase, President; Wayne Rowe, clerk; Dale Hoover, member; and Elvin Rhoades, member.

Never have we seen the time when an education has been so important as it is today. The market for physical labor is decreasing every day and as it decreases there is an increase for really educated individuals.

A few students still feel they are being subjected to "free" public school education, and that anything free is worthless. These people are only kidding themselves. In the first place education is not free, it is purchased through tax money earned by fathers, mothers, brothers, and sisters, neighbors and friends. Why waste the opportunity of a life time when it comes to you only once? Let us all strive for a better school and the best education we can possibly attain from it.

SCHOOL LIFE. . . . .

Each year our school sets aside an assembly known as Award Day, where outstanding students are given recognition of their achievements. This year Award Day was held on Friday, May 26. A merit system was set up by an "award committee" consisting of several faculty members; therefore increasing the awards and recognition of outstanding students. Several pictures of this year's Award Day are shown.

Mr. Ladd presents Jim Rosendahl awards for being chosen as Outstanding Athlete and Champion Foul Shooter in the 1961-62 Basketball Season.

Mr. Bricker presents a trophy to Tom Myers for being chosen as the Batting Champion in the 1961-62 Baseball Season.

The gym is always buzzing with activity during the noon hour. Joe Motycka gives his team some pointers in the annual Intramurals.

Dwight Rhoades was in charge of the Band on Student Council Day, May 16, 1962.

The basketball game between the Intramural boys champions, coached by Tom Myers, and the faculty proved to be an exciting game.

A picture from the dance which was sponsored by the Senior Class.

A "Mock" Primary Election was conducted by Democracy students on May 8, 1962.

The new dance of 1962, "The Twist", also came to Crestview.

The Student Council consists of the top 3 officers from each class in high school.

Among our duties, is the responsibility of choosing the assembly programs for the 1962-63 school year.

A Student Council Day was held May 16. Student teachers were in charge of the various classes including the positions of high school principal and secretary. It proved to be very successful and was enjoyed by students and teachers.

A handbook of rules-and-regulations to guide the students of our high school is to be prepared for use next year.

During the Summer of 1961, the band gave two evening concerts on the front lawn of the school, marched at Paulding, and attended the State Fair. A summer outing was held at Pokagan State Park.

Fall activities included performances at the County Fair and parades at Van Wert, Ohio City, and Convoy. New Marching routines and training were introduced.

Winter brought increased activities. A pep band of sixteen members performed for the home basketball games and many band members helped the Band Mothers in operating the concession stand. The Christmas program featured a finale that presented both the chorus and band in a combined number. Five band members (Jim Thomas, Roberta Jellison, Ann Taylor, Diane Bagley, and Jerry Fensler) attended the District III festival at Lima Shawnee High School. Two band members (Roberta Jellison, and Kermit Imler) were selected for the All Ohio Select High School Band. They spent two days at Bowling Green State University reading and performing new music and band directors from all of Ohio.

March brought contest time. At the district solo and ensemble contest, Sue Hamrick won a I rating and Kermit Imler and Bonnie Dull won II ratings on solos. On March 24 the band won a II rating in the band contests held at Bluffton.
